

# NOVA

High quality and beautiful finishes bring out the natural warmth of real wood-grain surfaces. States' NOVA® prefinished hardwood panels are custom tailored to bring out that radiance in every application.

NOVA® offers you unsurpassed prefinish options with clear, translucent, opaque and printed finishes. Select from satin, medium or high gloss, or a custom gloss level with precise color matching for your specific application.

NOVA® Ultraviolet Flatline Finish  
for Unmatched Beauty and Durability.
